Energy and Environmental Services Department
11870 Monarch Street, Garden Grove 92841

The Low-Income Home Energy Assistance Program (LIHEAP) is a United States federal program funded by the U.S. Department of Health and Human Services. LIHEAP provides financial assistance to help offset heating and/or cooling costs and also helps to improve household energy efficiency. Utility assistance is available for income qualified residents who are struggling to pay their electric or gas bill in Orange County. Applicants may receive assistance once a year.
