

Our Caring Community, A Prepared Community

The La Habra Police & LA County Fire Departments announce the La Habra Spring 2017 course. Dates will be April 1, 8, & 15th (9AM—4PM)

- Learn valuable emergency response/recovery skills (preparedness, fire safety, light search & rescue, disaster medical, disaster psychology)
- Meet fellow community members while preparing to protect and provide for your family during a disaster
- Certificate for approved 20 hour course to be a Volunteer Disaster Worker (community/volunteer service opportunity, but not required)

This training is free to the public, and is appropriate for high school to any adult age. We encourage families to train together, so that our community can build resilience and connection!
