

IN-N-OUT BURGER

2030 E. LAMBERT ROAD
LA HABRA, CALIFORNIA

PROJECT DETAILS

In-N-Out purchased an adjacent property and will be expanding its operations onto the property for the purpose of reconfiguring its drive-thru lanes. The relocated drive-through lane will move the entrance away from the Palm Street intersection and increase vehicle stacking from 14 vehicles to 26 vehicles, which will prevent cars from backing up onto the street. On-site parking will increase from 11 spaces to 14 spaces and a reconfigured outdoor will be provided with 7 fixed tables.
