

City of La Habra

Temporary Traffic Control Plans Requirements:

1. The current Temporary Traffic Control Plans General Notes must be included in every temporary traffic control plan submittal.
2. The Temporary Traffic Control Plan check fees shall be collected at the time of submittal.
3. **Plans cannot be accepted without full payment.**
4. Final (approved) submittal of Temporary Traffic Control Plans must be accompanied with a registered engineer (**Traffic or Civil**) stamp and original (**wet**) signature. Plans submitted without stamp and (**wet**) signature will not be approved, and the City will not issue a permit. There will be **no exceptions** granted.
5. For further information on submitting Temporary Traffic Control Plans for review by the Traffic & Transportation Division, please see the current **Notice to Preparers and Submitters of Temporary Traffic Control Plans**.
