When employees are called out after completing their shifts, they shall be paid a minimum of four hours at straight time. Holidays, vacation, sick leave, personal days, and compensatory time off shall be time worked for the purpose of overtime calculation. Employees may not volunteer nor initiate overtime by signing up for any shift immediately proceeding or immediately following the use of approved leave, unless such overtime is ordered, directed or requested by the Watch Commander, Bureau Commander or designated supervisor. Approved leave includes sick leave (including bereavement), vacation, compensatory time off, holidays, and personal days off. It is the intent of this section to avoid an employee taking time off, so as to work overtime at an overtime rate. It is recognized that such circumstances might happen and be the best solution to a staffing problem, but only Lieutenants or Bureau Commanders, or his/her designated subordinate supervisor shall authorize overtime in such circumstances. This policy is supplemental to FLSA requirements.

**SECTION VI. Call/Court Time:**

It shall be the policy of the La Habra Police Department to compensate its full time, sworn employees for “on-call” and court appearances in accordance with the following procedures. Effective July 1, 2014, the City agrees to discuss language regarding court overtime and on-call procedures.

A. **Definitions:**

**Court:** In most instances the Court is the facility in which judicial proceedings occur. In the majority of cases, the Court will be the Orange County Superior Court at the North County Justice Center in Fullerton or another Superior Court. In other situations, the term Court may apply to a location where DMV, ABC, or Parole hearings take place, and it may also include a location where deposition(s) are to be taken or other legal hearings are to be conducted.

**Court Liaison Office:** The Court Liaison Office is a working element of the La Habra Police Department for among other things to facilitate the subpoena, on-call, appearance, and proper compensation of La Habra Police Department employees.

**Eligible Employee:** The provisions of this letter of agreement shall apply to all full time sworn personnel that are members of the Police Sworn bargaining group.

**Notification:** Notification is the process of informing an eligible employee about the status of a case for which he/she has been subpoenaed. Whenever an eligible employee is to be notified of the need to appear, there will need to be a telephonic conversation with the employee or other responsible person taking phone calls for the employee. Upon being so notified, the employee shall not attempt to question the need for the appearance with the Court Liaison staff. Any inquiries should be made to the Watch Commander. Whenever an eligible employee is being notified of a change to an "Off Call" status, the notification may be made to an acceptable answering device.

**On Call:** "On-Call" is a privilege granted by the Court or other legally established proceeding, wherein a person under subpoena is allowed to remain at home, work, or wherever; provided that that person can be contacted and immediately respond to the Court or designated location within one hour. Upon arrival at the court, the sworn employee is to be properly attired and prepared to participate in the matter for which (s) he was under subpoena.

**Sessions:** Sessions are the two portions of the court day. The AM Session occurs before the lunch break and the PM Session occurs after the lunch break.

**Subpoena:** Subpoena is an order from a court or other legally established proceeding, requiring the appearance of the person so named, to appear as indicated, under penalty for failure to appear.

**Trailing:** "Trailing" refers to a matter that has been scheduled for a specific date but for various reasons, including by order of a judge or presiding official, trails to the following or subsequent day(s). Persons under subpoena for the scheduled court date remain under subpoena for the "trailing" day(s) unless excused by the Court Liaison Office, Court, or person presiding over the legal proceeding.

**B. Subpoena Processing and Service Procedures:**

1. Whenever possible, subpoenas related to official duties of a full time sworn employee shall be presented and accepted on behalf of the subpoenaed employee at the Court Liaison Office located in the North Justice Center, 1275 N. Berkley Avenue, Fullerton, CA 92835.
2. Upon receipt, the Court Liaison Staff shall review the subpoena for acceptance.
  - a. If rejected, the subpoena shall be returned to the issuing entity with an explanation for the rejection (i.e. sworn employee's scheduled vacation).
  - b. If accepted, the subpoena shall be logged into the subpoena database for tracking.
3. Upon completion of the logging process, the subpoena shall be delivered to the La Habra Police Department for delivery to the affected employee in accordance with Department Procedures.

4. Upon acceptance, the employee is responsible to fulfill the obligation of the subpoena.

**C. On Call Procedures and Compensation:**

1. **Off Duty:** An off duty employee under subpoena shall provide the Court Liaison Office with a phone listing or notification indicating where and how they wish to be reached by voice and/or page notifications. Should the employee be needed to appear for court or be taken off-call, the Court Liaison Office will make notification as agreed. In the event of an appearance notification in which the Court Liaison Staff is unable to contact the employee, the employee shall be ineligible for compensation. In the event an employee in an on-call situation becomes unable to respond as required due to an unforeseen situation, the employee shall immediately notify the Bureau/Watch Commander who shall then notify the Court Liaison Office. Upon returning to duty, the sworn employee shall prepare a memorandum to their Bureau Commander explaining the circumstances. In this case, the Bureau Commander will make a decision regarding on-call compensation.
2. **On Duty:** An "On-Duty" employee is presumed to be available for court. If needed in court, the Court Liaison Staff shall first notify the employee's bureau/watch commander or supervisor and provide him/her with the details of the appearance situation. The eligible employee will then be provided with the appearance information. It is essential that the commander/supervisor be informed of the employee's absence prior to responding to court. When making "off-call" notification to an on duty employee, the Court Liaison Office shall leave a message with the employee or his/her voice mailbox.
3. **Multiple Subpoenas:** If an employee is on-call for multiple subpoenas, the eligible employee shall notify the Court Liaison Office so that they can facilitate and coordinate appearances with the respective courts to avoid unnecessary delays or dismissals.
4. **Compensation:**
  - a. An eligible employee shall be deemed "Off-Call", (and not entitled to compensation) once the Court Liaison Office or other competent authority makes notification. It is the obligation of the employee to check their voice mail or other agreed method of notification (pursuant to Section VII, A) to determine whether or not they remain under subpoena.
  - b. An eligible employee who reports for work between 5:30 AM and 1:59 PM on the same day that they are under subpoena shall not be eligible for "On-Call" compensation. The intent of this provision is to compensate only those employees who must make themselves available on their personal time off due to a subpoena.
  - c. A daytime employee cannot take an approved day off (i.e., sick, vacation, holiday, personal or comp day) and be "On-Call" simultaneously. The intent of this provision is to preclude eligible employees from taking an elective day off and gaining "on-call" compensation.
  - d. Eligible employees who have completed their workday yet remain under subpoena shall not receive on-call compensation. However, the employee may remain on duty at their duty assignment until taken off-call or upon closure of the Court Day (normally 5:00 PM). In those instances, the employee shall be compensated at time-and-a half for the work time that exceeds their scheduled workday.

- e. If an employee under subpoena is not relieved from the subpoena by 5:00 PM of the business day preceding the date of the subpoena, then the employee shall be considered to be "On-Call" and shall be eligible for "On-Call" compensation (other than either of paragraphs VII, 4, b, c, or d above).
- f. If an eligible employee is "On-Call" on a court day that the employee is scheduled to work, the employee shall receive the following on-call compensation (other than either of paragraphs VII, 4, b, c, or d, above):

1. **Swing Shift Employees:**

a. (AM) Morning on-call: Employees will receive 4 hours of on-call straight time compensation.

b. (PM) Afternoon on-call/appearance:

1) Afternoon on-call: Employees will receive 1 hour of on-call straight time compensation (from 1330 to 1430); **OR**

2) Afternoon appearance: Employees will receive 1 hour of compensation (from 1330 to 1430) at time and one-half (1 ½ X).

2. **Graveyard shift employees:** Employees will be compensated for 4 hours of on-call compensation at straight time for AM or PM subpoenas (a total of 4 hours for the day).

Graveyard Shift Hours defined: Shift begins at 1800 hrs. and ends at 0630 hrs.

Approved Leave defined: Holiday, vacation day, compensatory day, and personal holiday.

"If an employee is approved for a leave day on a day in which they are scheduled to work the "graveyard" shift, and the same day they are scheduled "on-call" pursuant to a court subpoena, and the employee notifies the Court Liaison Office and their immediate supervisor they are available to respond to court if called, then the employee would be eligible to deduct the number of hours they would actually receive for their on-call status from the leave time they have been approved to take.

In no case shall an employee be allowed to schedule leave time on a day in which the employee has been notified they are needed to appear in court or are under a mandatory appearance subpoena and collect overtime at the time and a half rate. Unless the employee notifies their immediate supervisor and the Court Liaison Office by 5:00 PM the weekday prior to the court subpoena confirming their availability to respond to court, they would not be eligible for any compensation."

- g. If an eligible employee is "On-Call" on a court day that the employee is not scheduled to work, (and is not off on sick leave, vacation, holiday, personal day, or comp time), then the employee shall receive 4 hours of straight-time compensation.

The City is amenable to continuing discussions with the POA to address graveyard shift court on-call duty time compensation.

- h. In no event will an employee receive compensation for more than one subpoena for the same period of the same day.
- i. When an employee is out due to an injury on duty (IOD) (LC 4850) and out on medical leave, they are re-assigned to dayshift hours. In addition, regardless of the shift, an employee has to actually work to receive on-call pay on a day he or she is scheduled to work under provision 4(f), or if an employee is out on IOD and placed on-call by court subpoena, the employee will not be compensated for any time on-call.

**D. Court Appearances and Compensation:**

1. **On Duty Appearances:** An on duty employee required to appear in court, shall not normally receive additional court time compensation. However, an eligible employee who is required to remain at the court beyond the term of his/her normal workday shall receive overtime, provided that the employee has worked the full term of the normal workday. Eligible employees who are required to appear prior to the beginning of their daytime workday must inform their supervisor of the situation, and shall receive overtime if required to work beyond their normal workday.
2. **Lunch Breaks:** Off duty employees at court will not be compensated during the lunch break.
3. **Off Duty Appearances:** It is the employee's responsibility to inform the Court Liaison Office of their arrival and completion times. If the appearance is in a court other than the North Justice Center, then this notification should be accomplished by telephone.
4. **Compensation – With Subpoena:**
  - a. **AM Session Appearance:** When an eligible, off duty employee is called into court or other venue for the AM session, the employee shall only receive their "On-Call" compensation (4 hours of straight time).
  - b. **PM Session Appearance:** When an eligible, off duty employee is called into court for the PM Session, the employee shall be paid 3 hours, straight time compensation. Should the time at court (excluding the lunch break) exceed 3 hours, the off duty eligible employee shall be compensated at time-and-one-half for the entire time spent at court. In this situation, an eligible employee who is both "on-call" for the AM Session and then must appear in court during the PM Session would be eligible to receive both the on-call (4 hours of straight time) and appearance compensation.
  - c. **AM and PM Sessions Appearance:** When an AM Session appearance continues into the PM Session, the eligible employee is entitled to the combined amount of the "On-Call" and Appearance compensation, up to 7 hours pay at straight time. When an appearance (not including lunch break) exceeds 7 hours in length, the employee will receive only the appearance pay at time-and-one-half.
  - d. **OMTD or FTA:** If the matter is dismissed on behalf of the employee (such as OMTD or FTA), the employee may not be eligible for any compensation. A determination will be made upon evaluation of the employee's memo to their supervisor regarding their actions.

5. **Compensation – Without Subpoena:** If an off duty, eligible employee is called into court on a matter for which (s) he has not been subpoenaed, upon appearance, the employee shall receive 4 hours compensation at straight time. Should the time at court (excluding the lunch break) exceed 4 hours, the off duty eligible employee shall be compensated at time-and-one-half for the entire time spent at court.
6. **Parking Reimbursement:** The City will reimburse employees for duty related court appearance, parking expenses. It is the employee's responsibility to submit a parking receipt, subpoena and a "Revolving Fund" Payment Request (green) form for reimbursement.
7. **Court Time Payroll Request:** It is the eligible employee's responsibility to properly complete the Court Time Payroll Request form and to indicate the number of hours and type of compensation that is expected. Upon completion, the form shall be submitted to a supervisor for review and approval. The choice of compensatory time or pay is at the employee's option unless the employee exceeds the FLSA accrual limits for compensatory time.

**SECTION VII. Bilingual Pay:**

All sworn officers are eligible for bilingual pay for Spanish, Korean, and American Sign Language, or any language, which the Chief of Police has determined as needed for City business and approved by the City Manager, and are required to provide bilingual service, and have passed the required qualifying written and/or oral examination.

The uniform may require changing from time to time as a result of availability of supply. The Chief of Police shall have the authority to make such changes as necessary. Individuals will be expected to maintain a "Class A" uniform.
- D. The City agrees to pay out annual uniform allowance in two payments (July and December), if requested by the employee. Employees who do not request two payments will receive one payment in December. Uniform maintenance allowance will be paid in a separate check.
- E. The value of uniform allowance shall be reported to CalPERS as pensionable compensation on behalf of all eligible employees in accordance with applicable PERS requirements and pursuant to the Public Employees' Pension Reform Act (PEPRA).
